*This document is for the purposes of providing the proper instructions for initiating a wire transfer to a Connect Credit Union account. We recommend providing this document to the financial institution (other than Connect Credit Union) initiating the wire transfer along with your wire transfer request.*

---

Connect Credit Union utilizes an intermediary financial institution for Incoming Wire Transfer requests. All wire transfers must be sent to our intermediary financial institution, who will forward the funds to Connect Credit Union.

**NOTE** - Incoming wire transfers sent directly to Connect Credit Union will be rejected and returned to the originating financial institution
